

Hello everyone, this notification is regarding NAOBI-DC's annual elections November 18th, 2022. The event will start at 6 PM and finish by 9 PM that evening. You can attend the meeting virtually through zoom or in person if you choose at Gallaudet University's HMB meeting in room 1002. Again in person in HMB 1002 or through the zoom link.

NAOBI-DC has available positions, including the treasurer, and chapter (community) liaison, which is a community connection based position. These two positions are currently vacant.

At the meeting we will be seeking your thoughts on the possibility of having future positions for Deaf interpreters or CODA heritage signers.

There are also many vacant committee positions. We need someone that would work as webmaster who would also be responsible for correspondence using the mail chimp platform. We also need help with the continued need to review and fix our bylaws.

Another vacant committee chair is professional development.

Aside from committee chair positions, we have ongoing activity based roles that need to be filled.

Maybe you might be interested in volunteering to transcribe NaobiDC's videos. That is independent work (not bound to board/committee meetings). Signing videos or voiceover work can also be done independently at home.

We could also use more support with creative media content, planning social events, someone who can handle running tech during our NAOBI-DC meetings, and someone who is able to communicate updates and reminders to our members.

All of these vacant positions both on the board and in committee will be discussed and up for election at the meeting coming up this Friday, November 18 at 6 PM eastern time zone. We hope that you will be committed to being there. We better see you! Yes? Yes? We'll see you there.
